AAA Mission Statement

We believe that no one is alone. We succeed when the youth we serve become agents of their own change and use their knowledge to change their communities.

We reach the youth of sub-saharan Africa whose lives are affected by AIDS.

We affirm that tomorrow's responsible parents are the knowledgeable youth of today.

We educate youth with the knowledge they need to stay alive, and teach them to share that knowledge with their peers

We build extended family support networks in local villages and communities to deliver security, food, education and healthcare to children orphaned by AIDS

We create healthcare awareness by funding women and children's health.
