"Women's economic autonomy"through our Scholarship Programme. This scholarship enables each teenage orphan girl to complete at least a secondary, general or technical education that will lead to financial and economic autonomy, greatly reducing the risk of being infected with HIV through sexual abuse and violence.

Dr. Martin Luther King said: **"Everyman must decide whether he will walk in the light of creative altruism or the darkness of destructive selfishness..."** Daniel chose CREATIVE ALTRUISM and wanted African Action on AIDS to take many pictures of Beautiful, Alert, Healthy and Happy People! We are doing just that and will keep his wish alive...

We will never forget Daniel who interacted and interpersonally connected with us in such humanity, that we were sucked in his powerful flame that will continue to give light in North, South, East, West, Africa, America, and the Universe!

Daniel, you are our brother. You remain a solid part of our African extended family. We are the continuation of your global altruistic existence!

Rest in Peace.
