

SUMMER EVENT WITH U.S. EMBASSY, ON 17 JUNE - 14 AUGUST 2014

The third Event was a partnership between AAA and the USA Embassy in Yaounde. A special Summer Programme featuring Arts and Crafts, games, Academic Enrichment, Leadership development, Computer Use, Reading, films etc...

Based on our strategy to ensure both high academic success and leadership for community service, we sent 22 of AAA children to the camp and the rate satisfaction was very high both on the children and AAA sides.
