

## Reactions from July AAA eNewsbrief 2021

### **1- Melanie and members, SI Tokyo-Shinjuku**

Dear Ruth,

Many thanks for sending AAA's July eNews Brief honoring World Refugee Day on June 20th. It is edifying to know that this day, established by the UN in 2001, marks the strength and bravery of all those in the world who have been displaced within or forced to leave their homelands.

It is also heartening to hear of AAA's collaboration with Harambee Africa to provide hand washing stations and various books and periodicals for their libraries for African refugee children in Cameroon and across the Central Africa Region. Giving such sustenance to these children will help them form a rich foundation of health and education despite being torn from their circumstances.

Our new 2021-2022 President, Mrs. Michiko Murakami, and members of SI Tokyo-Shinjuku send you rainy season greetings from a very wet Japan. As always, Ruth, thank you for what you do and the many lives you touch.

Dear Melanie,

Thank you for prompt communication through AAA Newsbriefs and SI Tokyo Shinjuku [members.as](https://members.as) always

I'm enjoy reading your comment each time.Thank you.

AAA was wonderful to have a hardworking young lady, Mekougoum Nadine, who is coordinating to making strong women Men and Children.

Please let SI-Tokyo Shinjuku club knows about AAA hard working projects, and I hope SI Tokyo Shinjuku club will continue to support our AAA missions.

Let's plant positive seeds in every African Child together.

Best Regards,

Be safe during this rainy weat
