Sobonfu Somé once said, "Without the community, the individual is left without a place where he can contribute. The community is that grounding place where people come and share their gifts and receive them from others." This highlights the vital role of community in fostering contribution and support.

An article in "Le Jour n° 4094" on February 6, 2024, titled "Marche Sportive de Soutien aux malades" (Supportive Sports Walk for the Sick), exemplifies how coming together can enhance well-being and promote world peace. Read more: <http://www.lejour.cm>

We hope events like these multiply and shape the perception of sustainable development. Wishing you a joyful and peaceful Youth Week.
