

Take Action, Inspire Change - Celebration of the International Nelson Mandela Day 2024

Your contributions keep us going! Please send a tax-exempt check payable to one of African Action on AIDS' addresses below

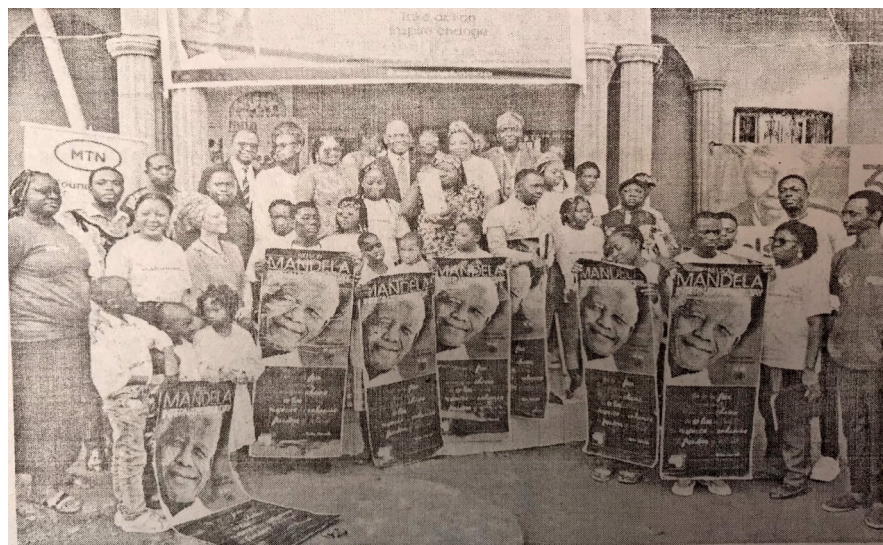

As usual, the Nelson Mandela International Day was celebrated on July 18 in Cameroon. The event that drew our attention was co-organized by the MTN Foundation and the High Commissioner of South Africa in Cameroon, along with a local association: Foyer Marche Avant (Le JOUR, July 19, 2024).

The focus of this event was the need to **train visually impaired children in Information Technology/Computer Science, to ensure their full integration into the new economic system, while empowering them as agents of their own change and growth with pride.**

The event exemplified a remarkable form of COMMUNITY SOLIDARITY that not only celebrates each person's ability to transform their own life, but also positions everyone to

become an agent of Global Good, embodying the original Mandela's recommendation to "TAKE ACTION, INSPIRE CHANGE."

Support AAA today: We need your support to continue sending vulnerable children, mostly girls, to school. No amount is too small, and every donation is fully appreciated.
