AAA joined the world community in recognizing the World Refugee Day observed since 20 June, 2001.

This day honors the strength of women, men and children internally displaced or forced to flee their homeland. It urges the world community to work together.

AAA was fortunate to meet a dynamic group working with a strong vision on African Refugee children that prolonged our celebration of the Day of African Child. HARAMBEE AFRICA (harambeeafrica20@gmail.com) has a great vision:

❖ OUR VISION IS:
It is better to build a strong Child than to repair a broken adult »

Planting Positive Cultural Seeds in Every African Child

Using Books, Arts and Sciences as key factors of Children creativity!

Please, join AAA in supporting all Refugees participating in the Tokyo Games.

AAA therefore added its token support to this wonderful vision which leads to the creation of libraries in refugee camps in Cameroon and across the Central Africa Region. Harambee Africa is coordinated by a hardworking young lady : Mekougoum Nadine.

Collaboration entre African Action on AIDS (A.A.A) et HARAMBEE AFRICA à la création des Bibliothèques dans les Camps des Réfugiés de l'Afrique centrale.

Contribution d'African Action on AIDS par la remise de :

- Hand washing stations
- Nieuw Livres Scolaires
- Revues et Journaux (Jeune Afrique, Afrique Asie, Economiste, National Geographic, Le monde du Travail, Newsweek, Time etc)
