- Knowledge that leads to behavior change
- Knowledge that helps to visualize a future without AIDS

"Health before Wealth" Concept promotes:

Testing for HIV

- Fighting against Malaria (treated mosquito bed nets)
- Vaccination
- Anti worms medicine

"Women's economic autonomy"through our Scholarship Programme. This scholarship enables each teenage orphan girl to complete at least a secondary, general or technical education that will lead to financial and economic autonomy, greatly reducing the risk of being infected with HIV through sexual abuse and violence.

Auntie JOAN

INTELLIGENT,
GENEROUS,
PROMOTOR OF HUMAN VALUES,
Auntie Joan was AAA's Honorary Chair for the last several years.

Throughout her active leadership, Auntie Joan was the heart of the AAA Berkshires chapter, uniting members to plan for the future of children in Cameroon affected by AIDS.

We will deeply miss her motherly and compassionate touch in all that we do. Inspired by her example, we will continue to champion her quest for equality and respect for our differences. Her spirit remains with us, and we will always honor her memory.

MAY YOU REST IN PEACE, Auntie JOAN.

Please be assured that AAA will never forget the profound impact you had on our efforts to create a more peaceful and healthy world.

On behalf of the global family of AAA,

Ruth Bamela Engo, President
