

The WORLD TOILET DAY (WTD) - 2025

Your contributions keep us going! Please send a tax-exempt check payable to one of African Action on AIDS' addresses below

The World Toilet Day (19 November) is an official United Nations' international observance day to improve ACTIONS to tackle the global SANITATION CRISIS!

The World Health Organization (WHO) has been inviting us all to for many years to accelerate investments in toilets mostly in Schools and wherever children are assembled!

With its limited funds, African Action on AIDS has made Clean TOILETS with Hands' Washing Stations the starting point of Sustainable Health!

We therefore call on you to support **AAA's EDUCATION+ PROGRAM** that uses clean toilets and water wells as starting points of a healthy life in our communities! See pictures

Happy World Toilets Day 2025 !"
